# 2023 Hall of Fame AWARD RECIPIENT

## JON BUTTERFIELD

Jon Butterfield is an accomplished healthcare executive with a distinguished 34-year career spent entirely in service to our West-side communities. For the past five years, Butterfield served as the Chief Executive Officer of the Holy Cross Hospitals – Jordan Valley and Jordan Valley West. Throughout the years, Butterfield’s leadership has been instrumental in the development of numerous healthcare services which make our communities a safer place to live and work.

Jon was instrumental in ChamberWest’s journey of growth and programming, as he served on the Board of Directors in the positions of Vice Chair, Chair, and Past Chair. He joined ChamberWest at a critical time in the history of the organization and helped the Board of Directors establish a new direction for ChamberWest with strong leadership and a vision for its future. In addition to service on the Board of Directors, he also served on the Board of Governors, Legislative Affairs, and on many other committees in leadership roles. Jon is a consummate promoter of the value of chamber engagement and a strong supporter of local business.
