# Bend, Create, and Plan Your Future!

DR. ROGER HENDRIX

"I will buy the book, not just for me but for all of my siblings. I believe they will be better people for reading and applying it. I will buy it for my team. I will give it to my daughter ... and she will treasure it as much as her Maya Angelou books."

—Fritzi Woods, President and CEO, PrimeSource FSE

"Roger is an inspiration to me in my professional life and in my personal life. As his wealth management advisor, I have witnessed Roger bend, create, and plan his own future. He really practices what he preaches."

—Linda Hollman, Wealth Management Advisor

## Bend, Create, and Plan Your Future!

Do you ever feel like your life is stuck in neutral with no way to move forward? Do you dream of achieving wonderful things ... but don't know how to turn those dreams into reality? Do you want more out of life than you're currently getting?

In *Bend, Create and Plan Your Future*, Dr. Roger Hendrix—a leading authority in the field of strategic planning as well as an expert in the workings of the human mind—shows how you can *exert* your will and *engage* your imagination to *empower* your life. You'll learn how to:

- Bend and create the future to overcome barriers and achieve out-of-the-ordinary accomplishments
  - Write vision, mission and values statements that will act as lightning rods for the exciting new opportunities that are swirling around you
  - Create goals and actions plans that really work
  - Turn the 8 POWER Strategies of successful businesses into your own, personal success tools
- ...and much more!

Dr. Hendrix expertly interweaves personal stories and examples with scientific data and proven business strategies to demonstrate how each one of us can take control of our own lives and our own futures. You don't have to hope for luck, you don't have to wait for resources, and you don't need anybody's permission. All you need is contained within the walls of your own mind.

"Roger has been helping us with our strategic planning ... Recently, I looked at the vision statement he helped us create four years ago. It has come true almost word for word. It's like magic. He has you write it down, and it happens."

—Drew Horowitz, Pres., Bonneville Radio Group Chicago

"For me personally, the book re-ignited the idea that life is an evolution and that the future, no matter where you are now, is still full of possibilities."

—Wendy Juren, Director of Public Affairs and Community Marketing, WVEC-TV
